ServSafe® Manager Certification
The Number One Choice in Food Safety Training
Purdue Extension Offices

ServSafe® has always set the standard in food safety training and certification. You can be confident knowing the ServSafe® program was created by leaders in the food service industry. The topics you will learn were determined by those who deal with the same food safety issues you face every day. From the basics of hand-washing, to more complex topics such as food borne pathogens, this class will provide you with the building blocks to keep food safe throughout your operation.
