Dear Food Safety Managers or Food Establishment Owners,

I am writing to express my interest in collaborating with your Food Establishment as a Certified ServSafe® Instructor and Registered ServSafe® Examination Proctor.

I have five years of experience in the food service/food safety industry and a strong commitment to maintaining the highest food safety standards. I am a certified ServSafe® Instructor and Examination Proctor, as well as a ServSafe® Food Protection Manager. My passion for promoting food safety practices perfectly aligns with your establishment's goal of providing safe and high-quality food to your customers.

As a Certified ServSafe® Instructor, I am equipped to deliver comprehensive training programs that cover crucial topics such as foodborne illness prevention, proper food handling procedures, and sanitation practices. I am adept at tailoring instructional content to suit the specific needs and requirements of different food service environments, ensuring that your staff receives the most relevant and effective training possible.

As a Registered ServSafe® Examination Proctor, I am authorized to conduct the **ServSafe® Food Protection Manager Certification Exams**. The industry recognizes this certification and demonstrates the proficiency of your employees in food safety protocols as well as a requirement for the Indiana Department of Health. *I offer both paper and pencil and online exam options to accommodate diverse learning styles and preferences within your team. The tests can be proctored at your establishment on your time, allowing for testing options for workers in the first, second, and third shifts, as well as on weekends. I can also supply you with the ServSafe® Manager Book to help you study.*

I would welcome the opportunity to discuss how we can collaborate to implement ServSafe® training and certification programs tailored to the specific needs of your establishment. Please feel free to contact me at (260)-571-6784 or via email at [BlakeHuston07@gmail.com](mailto:BlakeHuston07@gmail.com) to arrange a meeting at your earliest convenience.

Thank you for considering my application. I am excited about the possibility of working together to ensure the continued success and reputation of your food establishment as a leader in the food service industry.

Sincerely,

Blake Huston
